

Curriculum Vitae of new proposed member of the Board – Margo Roberts

Dr. Margo Roberts, Ph.D. has more than three decades of biomedical research experience in both biotechnology and academia. Dr Roberts is currently Chief Scientist Officer at Lyell Immunotherapy. She serves also on the board of directors of Unity Biotechnology, a US public company focused on developing medicines that slow or reverse age-associated diseases, and on the board of directors of InstIL Bio, a US start up company focused on developing Tumor infiltrating lymphocyte (TIL) - based therapies for the treatment of cancer. Until July 2018, Dr. Roberts served as Senior Vice President of Discovery Research at Kite Pharma focusing on the development of next generation therapeutic approaches, including heading up Kite's universal allogeneic T-cell programs. Prior that, in 2013, she was Chief Scientific Officer at Kite Pharma Inc., where she built a talented research organization that played an instrumental role in the successful development of Yescarta®, and the clinical advancement of additional CAR/TCR-engineered T-cell therapies. Prior to her tenure at Kite Pharma, Dr. Roberts was Principal Scientist and Director of Immune and Cell Therapy at Cell Genesys, Inc., where she led the development and application of CAR technology to T-cells and stem cells, culminating in the very first CAR T-cell trial initiated in 1994. Dr. Roberts was also an associate professor at the University of Virginia, has authored over 30 scientific publications, and is the inventor on 13 issued US patents and three published US patent applications related to CAR technology and tumor vaccine therapies. Dr. Roberts received both her Bachelor of Science degree with honors and her Ph.D. degree from the University of Leeds in England.
